## Free printable arbor day worksheets

Credit: Emma Davrick Originally established to honor St. Patrick, the patron saint of Ireland Irish holiday has turned into a worldwide celebration of Irish culture. Get your kids excited for March 17 with these free printable St. Patrick's Day coloring pages! Credit: Emma Davrick Mischiefous leprechauns have appeared in Irish folklore for centuries. How will your child color his shaggy beard and clicking heels? Advertisement Advertisement Credit: Emma Davrick According to legend, St. Patrick used shamrocks to teach the Holy Trinity; the three leaves represented the Father, Son, and Holy Spirit. Nowadays shamrocks are an iconic symbol of good luck. Credit: Emma Davrick These famous St. Patrick's Day symbols—leprechauns, shamrocks, rainbows, and gold coins—are perfect for coloring and cutting out to hang on the fridge. Advertisement Credit: Emma Davrick Kids will love coloring the stripes and polka dots inside of these patterned shamrocks. Buckled top hats and five-point stars round out this printable St. Patrick's Day coloring page. Credit: Emma Davrick Filled with horseshoes and four-leaf clovers, this St. Patrick's coloring page will give you the luck of the Irish! Credit: Emma Davrick In Irish folklore and fairytales, leprechauns always wear green top hats. This one comes with a buckle and a lucky shamrock. Advertisement Advertisement Credit: Emma Davrick According to Irish mythology, those who find a pot of gold at the end of a rainbow can become rich. Credit: Emma Davrick Display this coloring page in your window to deliver a cheerful greeting to neighbors: Happy St. Patrick's Day! Advertisement Teach simple shapes with these fun activity sheets that also double as coloring pages. Credit: Black Dog & Leventhal Prepare your tots for preschool with these basic shapes worksheets-and-coloring pages in one that will help them identify circles, squares, triangles, and more. Little ones can develop fine motor skills by gripping pencils to trace the shapes and crayons to color them in. Count all the circles and add color to the round shapes. Advertisement Advertisement Follow the dotted lines to create circles. Then practice drawing them freehand. Credit: Black Dog & Leventhal How many squares are there? Shade in these symmetrical four-sided shapes. Advertisement Credit: Black Dog & Leventhal Sketch different-size squares with and without the help of dotted lines. Credit: Black Dog & Leventhal Credit: Black Dog & Leventhal Advertisement Advertisement Credit: Black Dog & Leventhal Credit: Black Dog & Leventhal Advertisement Credit: Black Dog & Leventhal Credit: Black Dog & Leventhal Does your house need some festive Valentine's Day decor? Try out a free printable Valentine's Day subway art. Just download, print, and pop it into a frame that you already have. If this subway isn't your style, other styles of printable Valentine's Day subway art can be found at Christina Marie, Mini Van Dreams, and Domestically Speaking. Valentine Subway Art from Eighteen25 Continue to 5 of 11 below. Christmas lessons and activities are great motivational techniques. Some of the best activities in an inclusional classroom include brainstorming activities. When you provide students with the opportunity to brainstorm, you are actually using differentiated instruction. Brainstorms work well for gifted learners, mainstream learners and disabled learners. Use the Printable Activity PDF or try some of the suggestions below. 1. How many different Christmas words can you think of? 2. How many different things can you put on a Christmas tree? 3. What realistic types of gifts do you want this year and why? 4. How many different things can you do on the Christmas holiday? 5. How many different foods can you think of for Christmas? 6. Why is Christmas special to you? 7. How many different Christmas songs can you think of? 8. How many words can you find using only the letters in the word Christmas? 9. List all your different memories of Christmas. 10. Think of all the different things that happen at your house at Christmas. (Types of decorations, visitors etc.) Brainstorms can be in writing or done in small or large groups in the classroom. All students have the chance to feel successful during brainstorm types of activities. They're fun, they're easy, and they're effective. You can find more ideas for brainstorms here. They're for a wide range of ages and grades, from preschool all the way up to high school. These are great worksheets for teachers to use in the classroom but also are great resources for parents, whether they're homeschooling or just looking to strengthen some skills during their child's Christmas break. You may also want to see some free Christmas sheet music and Bible word search puzzles.
